

Perspective-style training (H = 4)

PanoVLN (H = 18)

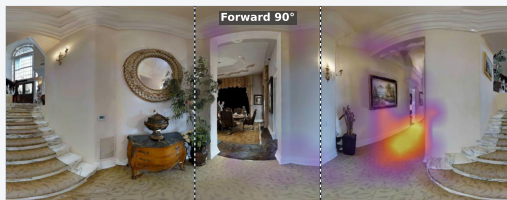

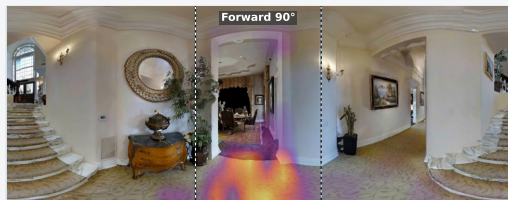

Instruction: At the top of the stairs **take a left and go down the hallway**. Enter the bedroom at the end of the hall. Stop while facing the window on the left edge of the bed.

Left hallway. PanoVLN highlights the left hallway; the baseline emphasizes the floor ahead.

Instruction: Facing the stairs turn to the left and go straight until you get to another set of stairs. **Then turn right and wait at the top of the stairs.**

Stair landing. PanoVLN highlights the floor beside the right stair railing; the baseline emphasizes the corridor ahead.

Instruction: Go up the three steps on the left. Turn left and go down the stairs. **Turn right.** Turn right again and wait near the vanity table with the fancy chair.

Right passage. PanoVLN highlights the right passage edge; the baseline emphasizes the central doorway floor.

Instruction: Walk up the stairs and make a sharp turn left into the hallway. Walk past the bathroom and **to the right into the bedroom** and stop.

Right doorway. PanoVLN highlights the area beside the right doorway; the baseline emphasizes the floor ahead.
